MOKSH RAJPUT

Full-Stack Developer | Python · JavaScript · SQL
Bangalore, India | mokshraj49@gmail.com | LinkedIn | GitHub

SUMMARY

B.Tech Computer Science student at CMR University (CGPA 8.2) with hands-on experience building full-stack web applications, database tools, and data analytics solutions. Interested in programming, database design, and software development with a passion for understanding complex problems and turning ideas into efficient, practical solutions. Seeking a software development internship to apply and grow my skills in full-stack and database development.

EDUCATION

B.Tech, Computer Science & Engineering Expected 2028
CMR University, Bangalore | CGPA: 8.2 / 10

Class XII (CBSE) 2024

Class X (CBSE) 2022

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL, HTML/CSS

Databases & Analytics: MySQL, Relational Databases (RDBMS), Data Analytics

Core Competencies: Full-Stack Web Development, Database Management, Problem Solving, Git/GitHub

PROJECTS

Interactive A4 Resume & Portfolio Application FSD Project
JavaScript, HTML/CSS, DOM Manipulation, CSS Print Calibration

- Built an interactive single-page web app for generating and customizing A4 print-ready developer resumes.
- Integrated real-time skill keyword search filtering, light/dark theme toggle, and dynamic view mode switching.
- Calibrated exact `@media print` CSS layout engines to guarantee zero page clipping and pixel-perfect PDF export.

Data Analytics & Sales Database Insights Tool Database Project
Python, SQL, MySQL, Relational Database Management

- Developed an end-to-end data processing script using Python and SQL to clean, aggregate, and analyze transactional datasets.
- Designed normalized relational database schemas (3NF) and optimized complex multi-table queries for reduced latency.
- Extracted core business performance metrics and visualized trend distribution insights.

Full-Stack Student & Academic Management System Academic Project
HTML/CSS, JavaScript, SQL, MySQL

- Constructed a web-based portal to manage academic records, student details, and coursework analytics.
- Implemented RESTful backend-frontend dynamic form integrations supporting full CRUD operations.

CERTIFICATIONS

- **NPTEL: Ethical Hacking** (IIT Kharagpur) | Coursework & certification completed
